<sup>1</sup> Although the DCDEP has one member who is employed by the County and one employed by the State, both are serving in their individual capacity and not as representatives designated by those agencies.

<sup>2</sup> The CPUC Charter for DCISC does NOT include decommissioning. It focuses on the operation of the plant. The DCISC does not include representatives or stakeholders from the SLO community. DCISC is only included in this chart because it is a ratepayer funded advisory committee related to Diablo Canyon.
