

ADVISEMENT

The Fact Finding Reports and the Report on Surveillance Capsule B from Unit 1 were prepared at the direction of the Diablo Canyon Independent Safety Committee by technical consultants and are posted for public information and review. The Committee has received and noted the reports; however, they have not yet been considered, approved, accepted, or otherwise endorsed by the Committee and do not necessarily reflect the Committee's views. These reports will be presented and formally considered at the Committee's October 20–21, 2026 public meeting.
